CONTINUING EDUCATION TEST
MEETING THE CHALLENGES OF DRUG SCREENING/MONITORING AND TRACE ELEMENTAL ANALYSIS

DECEMBER 2017

This test was prepared by Amanda Voelker, MPH, MT(ASCP), MLS, Clinical Education Coordinator, School of Health Studies, Northern Illinois University, DeKalb, IL.

MLO and Northern Illinois University (NIU), DeKalb, IL, are co-sponsors in offering continuing education units (CEUs) for this issue’s CE article. CEUs or contact hours are granted by the College of Health and Human Sciences at Northern Illinois University, which has been approved as a provider of continuing education programs in the clinical laboratory sciences by the ASCP PA.C.E.® program. Approval as a provider of continuing education programs has been granted by the state of Florida (Provider No. JP0800496). Continuing education credits awarded for successful completion of the test are acceptable for the ASCP Board of Registry Continuing Competence Recognition Program. Readers who pass the test successfully (scoring 70% or higher) will receive a certificate for 1 contact hour of PA.C.E.® credit. Participants should allow three to five weeks for receipt of certificate.
